

**SAINT LOUIS UNIVERSITY
PRESIDENTIAL GRADUATE FELLOWSHIP**

Length of Appointment

Responsibilities of Departments

The department chair is responsible for assigning a faculty mentor to work closely with the fellow by providing guidance and support regarding research, teaching, grant writing, and publishing.

The department is expected to complete an annual review by the assigned faculty mentor to the graduate education c accomplishments towards degree completion.

Re-Appointment

Graduate fellows who are performing satisfactorily in their studies and duties are eligible for annual re-appointments to the maximum time limit. Academic and professional performance and progress are measured by the following criteria:

A grade point average of at least a 3.0 (both cumulative and over the past academic year).

A student academic record with not more than one incomplete or missing grade.

Annual progress reports to the Academic Affairs Coordinator, from each fellow and faculty mentor.
