

the specific academic, financial, and organizational performance standards SLU has established and uses to annually evaluate the charter .

SLU's annual evaluation of a charter school shall be based primarily – though not exclusively – on the school's achievement of standards established in the governing Performance Contract. Failure to achieve certain Performance Contract standards may result in SLU requirements of the school including, but not limited to, the following:

- the submission of a school report to SLU addressing the sources of concerns, as well as school plans for remediation thereof;
- the publication of any such required report (as noted above) on the charter's website for public access;
- a school contract with an independent, external auditor/consultant approved by SLU, and the completion of an audit of the school's educational, financial, or organizational performance as defined by SLU;
- specific training for board members, administrators, staff, or teachers.

SLU's decision to renew a charter with a ~~sponsored~~ achievement of standards in the
