Professional Experience

Saint Louis University School of Law

Clinical Professor of Law, May 2002 to present

- Highly recognized legal educator specializing in the intersection of mental health and the criminal justice system. Author of published book discussing best practices in providing interdisciplinary education to law students in the area of holistic representation of clients.
- Seventeen years of experience working in student affairs and faculty at Saint Louis University.
- Responsible for the creation and implementation of the interdisciplinary Criminal Defense Clinic. This innovative clinic utilizes a holistic approach to provide comprehensive legal representation to persons whose mental illness has caused them to intersect in the criminal justice system.
- Partnered in the SLU School for Public Health and Social Justice and local grassroots and established community agencies to provide integrated social services and legal services.
- Author and presenter of numerous community educational programs designed to assist citizens in battling systemic barriers to justice and fight racial inequities inherent in the justice system, including an educational series designed to assist in the wake of the Ferguson protests.
- Mentor to law students as director of the Public Interest Law Group Criminal Litigation Concentration and the Street Law organization at Saint Louis University School of Law.
- Over 15 years of creating community-specific and culturally appropriate criminal teaching materials internationally in countries such as Myanmar, Scotland and Georgia.
