

Seven members of the Geriatrics Division medical faculty have been recognized by St. Louis Magazine as Best Doctors of 2015. This designation is based on the annual “Best Doctors in America” database that analyzes over one million peer evaluations. Geriatricians include:

Table 1. Guiding Principles of Cognitive Stimulation Therapy

6. Provide triggers to aid recall:	Using	all five senses is encouraged
12. Respect: Allow		differences and avoid exposing people's difficulties*
