

# Program Assessment Plan

Program

- 4 Describe the interconnectedness of agencies and organizations involved in emergency management and homeland security.

EMGT1600  
EMGT2900

1. An assessment survey will be completed by each instructor at end of course in which this program learning outcome exists. This survey will inquire about: A) Specific artifact(s) used to demonstrate achievement, B) Strengths/weakness in student performance towards this outcome, C) Number of students

1. On what schedule/cycle will faculty assess each of the above program learning outcomes? (List                      ~~the~~ ~~the~~)

Program

2. Describe how, and the extent to which, program faculty contributed to the development of this plan.

The program Director in cooperation with the full-time and adjunct faculty are involved in the development of this plan.

This plan will be reviewed annually to ensure it continues to meet the program's needs. If a given learning outcome ~~indicates~~ <sup>indicates</sup> a need of focused assessment, especially as it relates to one or more courses within the program or a foundational competency, then the schedule may be altered as needed. As SPS programs continually evolve to meet changing market needs, this assessment plan is to be considered dynamic ~~and change~~ <sup>and change</sup> as the program evolves and new programs are offered.
