

Youth Coordinator: Organized activities designed for inner-city youth at risk for gang involvement. Coached sports teams. Implemented late night basketball and fitness programs for teens.

AREAS OF PROFESSIONAL INTEREST _____

SLU Health and Justice Conference, abstract reviewer 2018
Bicentennial Fellows selection committee, 2017
Stroble Health Science Research awards 2015
President's fund grant review 2010-present
McNair Scholars program mentor 2009-2010

Chair, Rebecca Taylor, 2022, Saint Louis University, "Suicidality Among Emerging Adult Collegiate Athletes". Director of Student Athlete Mental Health, Lindenwood University.

Member, Torie Gettinger, 2022, Saint Louis University, "Examining Food Insecurity Among Cancer Patients and Survivors", Research Instructor, Department of Psychiatry, Washington University School of Medicine.

Member, Mark Fiala, 2022, Saint Louis University, "Financial Toxicity and Treatment Decision Making among People with Multiple Myeloma", Assistant Professor, School of Medicine, Washington University – St. Louis, St. Louis, MO.

Chair, Nathaniel Dell, 2022, Saint Louis University, "Personality and Psychopathology in Homeless Adults: Evidence from a Nationally Representative United States Sample". Research Assistant Professor, Department of Psychiatry, Washington University School of Medicine.

Chair, Robert Donnelly, 2022, Saint Louis University, "Development and preliminary validation of a depth of support measure for emerging adults". Director of Transitional and Independent Living Programs, St. Louis, MO

Member, Yiy-

Member, Tatiana-Gochez-Kerr, 2018, Saint Louis University, "Parental Physical Assault: Target Congruence, Evolutional, and Ecological Perspectives" Director of Evaluation, Parents as Teachers

Member, Leslie Sattler, 2018, Simmons College, "Gene by Environment Interactions and Youth Violence: Effects of Community-Level Factors and Parenting Style" Bridgewater State University

Member, Betelihem B. Tobo, 2018, Saint Louis University, "Preconception Health: Examining Risk for Unintended Pregnancy and Dental and Mental Health." Epidemiologist, Washington D.C. Department of Public Health

Member, Karen Matto-Oshima

Named Fellow, first cohort of Saint Louis University Research Institute, 2022.
 2021 Senior Faculty Non-Book Scholarly Works Award, Saint Louis University
 Annual Research Award for top Professor, College for Public Health and Social Justice, 2015-2017
 Top 5 most highly cited papers, *Journal of Adolescence*
 Fellow, American Academy of Social Work and Social Welfare, 2017
 Among the most productive and highly cited researchers in the field of social work (Hodge, D. R., Kremer, K. P., & Vaughn, M. G. (2016). High-impact social work scholars: A bibliometric examination of SSWR and AASWSW fellows. *Research on Social Work Practice, 26*(7), 751-761)
 Among the most productive and highly cited researchers in the field of criminology and criminal justice (Graham, A., Pratt, T. C., Lee, H., & Cullen, F. T. (2019). Contemporary classics? The early onset of influence of articles published in criminology and criminal justice journals, 2010–2015. *Journal of Criminal Justice Education, 30*(3), 348-375.)
 Annual Research Award for top Professor, College for Public Health and Social Justice, 2016
 Annual Research Award for top Professor, College for Public Health and Social Justice, 2015
 Best Paper Award for 2014 from the journal *Youth Violence and Juvenile Justice* for Violence and Externalizing Behavior among Youth in the United States: Is There a Severe 5%?
 Among the most productive and highly cited researchers in the field of criminology (Cohn & Farrington, 2014)
 Fellow, Society for Social Work and Research (SSWR), Inaugural Class 2014.
 Annual Office of Research Award for outstanding contribution to research, Saint Louis University, 2012
 Nominated for Deborah K. Padgett Early Career Award, Society of Social Work and Research, 2010
 Nominated for University wide award for research and scholarship, Saint Louis University, 2009
 National Institutes of Health (NIH) Travel Award, Design and Development of Quantitative Research on Social Work Intervention in Health, July 23-28, 2006, University of North Carolina at Chapel Hill
 National Institute on Drug Abuse (NIDA) Director's Travel Award, Annual College on Problems of Drug Dependence (CPDD), 2003.
 National Institute on Drug Abuse (NIDA) Pre-Doctoral Fellowship, 2002-2005

NATIONAL SERVICE

Chair, SSWR doctoral research awards 2016-2020
 Member, SSWR Dissertation awards committee, 2012-2015
 Invited teacher for three-day Summer Institute on Biosocial Methods for Social Work Research, Society for Social Work and Research, July 2011
 Workshop presenter on scientific publishing, Society for Social Work and Research, January 12th, 2012

EXTERNALLY FUNDED RESEARCH *(full list of grants not funded available upon request)*

U13, National Institute for Occupational Safety and Health

Translating research to practice in corrections staff mental health through dissemination of evidence: from pilots to practical programs total costs: 89,500.00

Role: Co-investigator
(under review)

The National Center on Restorative Justice at Saint Louis University, Bureau of Justice Assistance

Role: Co-PI, submission date May 2020, total costs: 3,000,000.00
(not funded)

R03 Small Grant Program Agency: NIH/NIDA

Effects of Job Training among Women with Economic Disadvantages on the Children's Substance Misuse
Substantial research indicates that a stable and better-paying job can improve physical and behavioral health by alleviating underlying life stressors. We propose to investigate the preventive effects of job training for women with economic disadvantages on illicit drug use trajectories among their children. Total direct costs: \$100,000 Role: Consultant, Submission Date: October 2020 Status: This application is pending IRG review

Langeloth Foundation

Health Criminology Research Consortium Symposium

Funded: 07/10/2018 (15,000.00)

Role: Principal Investigator

Institute on Educational Sciences, (IES) U.S. Department of Education R305A150058

Project: Preventing School Dropout Among At-Risk Students: A Study of Project Goal with English Learners

Funded: 07/01/2015 – 06/30/2019 (direct costs: 3,000,000.00)

Role: Consultant

P30 National Institute of Child Health and Development (NICHD)

Texas Center on Learning Disabilities, University of Houston

Project Team: Simulation and Research Synthesis: Affective and Antisocial Traits and Reading Performance

Funded: 01/15/2012 – 01/14/2017) (105,000.00)

Role: Co-Investigator (10%)

Saint Louis Children's Hospital Foundation

Project: Using the Hospital Emergency Department to Prevent Violence among Urban Youth

Funded: 05/01/12 – 06/30/14 (direct costs: 88,750.00)

Role: Principal Investigator (10%)

Meadows Foundation

Assessment of School Dropout among High Risk Youth

Funded: 09/01/2010 – 08/30/2012 (total costs: 109,258.44)

Role: Principal Investigator (20%)

Institute on Educational Sciences, (IES) U.S. Department of Education

Project: Preventing School Dropout with Secondary Students: The Implementation of an Individualized Reading Intervention and Dropout Prevention Intervention
Funded: 01/06/2010 – 01/05/2014 (direct costs: 3,000,000.00)
Role: Consultant

Morris Animal Foundation
Project: Cruelty to Animals in the United States: Epidemiologic Health and Mental Health Associations
Funded: 07/20/2009 – 10/15/2011 (total costs: 10,368.00)
Role: Principal Investigator

Boston College
Project: High Risk Youth Assessment: A Study to Compare Youth Gang Members and Non-gang Members in Boston, Lynn, and San Salvador.
Funded: 06/03/09 (total costs: 10,000.00)
Role: Co-principal Investigator

National Institute on Drug Abuse (NIDA) Sub-contract from University of North Carolina at Chapel Hill to Saint Louis University
Project: Personality, Substance Abuse, and Antisocial Behavior in the National Epidemiologic Survey on Alcohol and Related Conditions
Funded 08/26/08 –
